SEMINAR ON

THE LATEST TECHNOLOGY CRIME TREND AND CYBER SECURITY
SITUATION IN HONG KONG

Speaker: Mr. Dicky Wong, Detective Senior inspector of Police Collaboration Team, Cyber Security Division, Cyber Security and Technology Crime Bureau (CSTCB), Hong Kong Police Force

Date: Tuesday, 6 February 2018

Time: 5:45 p.m. – 7:00 p.m.

Venue: Deacons, 14/F Alexandra House, Chater Road, Central, Hong Kong

With the rapid advance in technology, our lives are getting more connected with the internet than ever before, and in some ways, it is making our living more convenient. However, the importance of cyber security cannot be under-estimated as personal data and sensitive information are now being kept in a virtual space. Therefore, setting prudent standards and a good cyber security policy are crucial for each individual or every organization. The motto is : "Always assume that you have been hacked, unless you can prove that you haven't".

The speaker: Mr. Dicky Wong joined Hong Kong Police Force in 2011 and has held several cyber crime-related management positions since 2014. Being in charge of the Collaboration Team of the Cyber Security and Technology Crime Bureau (CSTCB), Mr. Wong is now responsible for working with the private and public sectors to raise the general awareness of the emerging cyber threats in Hong Kong.

Prior to that, Mr. Wong also served the District Investigation Team, Technology Crime Investigation Team and took the role as Head of Cyber Security Centre (CSC) of CSTCB in 2015, at which he was involved in large-scaled cyber-attack cases in Hong Kong.

Mr. Wong is an INTERPOL accredited trainer in Computer Forensics, a Certified Ethical Hacker, a Certified Penetration Tester and he had also obtained a Bachelor's Degree in Management Economics from University of Essex, United Kingdom.
