In September 2014, Hong Kong indicated to the Organisation of Economic Cooperation and Development its commitment to implement the new global standard on automatic exchange of financial account information in tax matters (AEOI) in Hong Kong, with a view to commencing the first information exchanges by the end of 2018, on the condition that Hong Kong could put in place necessary domestic legislation by 2017. The Government, which is currently conducting a consultation exercise, will give a briefing at the HKTA's request on 2 June 2015 and gauge views from members on its proposals to apply the AEOI standard in Hong Kong.
