#### Notes on Webinar:

- The webinar will be delivered via WebEx. You may want to check if WebEx works on your device prior to registration. Click [here](#) to test.
- Participants are required to attend the full webinar to qualify for the CPT/OPT hours.
- Participants are encouraged to log into the HKSI Institute [Online Portal](#) 15 mins before the start time to familiarise with the webinar features.
- Participants who intend to claim reimbursement under the Financial Incentive Scheme (FIS) of the WAM Pilot Programme must keep the camera turned on throughout the class in order to meet the attendance requirement for all eligible live webinar courses/seminars.

#### Financial Incentive Scheme (FIS) of the WAM Pilot Programme

The FIS aims to enhance the competency and professionalism of in-service practitioners within the asset and wealth management sector and to assist other practitioners within the financial services industry in acquiring the knowledge and skills required for entering the sector.

Eligible applicants will be subsidised 80% of the course fees by the HKSAR Government upon satisfactory completion of the course, subject to a ceiling of HK\$15,000.

Hong Kong Securities and Investment Institute is appointed as the implementation agent of the Pilot Programme. Regarding the details of eligible criteria and application procedures, please refer to the [dedicated website of the WAM Pilot Programme](#).
