

## Hong Kong Trustees' Association Limited

### 2025 Subcommittee Member Nomination Form

HKTA Subcommittees play an integral role in the running of our Association. Each subcommittee is formed of members and with the oversight by Executive Committee members who work together to help administer, organise, plan and develop important areas within our Association.

Nominations are now sought for different subcommittees. To help the Subcommittee understand your experience and expertise, and your potential contribution to the Subcommittee, please complete the nomination form providing as much relevant information as you can.

Members' nomination will then be considered by the respective Subcommittee. However, seats for each Subcommittee are limited. If all available seats are taken up, the Secretariat will keep your information in the database and contact you when a vacancy arises during the course of the year.

Participation in Subcommittees is voluntary and all persons who are appointed should have the following core skills:

- A willingness to work in teams, to accept a share of the workload and an ability to meet deadlines;
- Dedication and service to the fiduciary services sector;
- The ability to consider and make recommendations in the best interests of the Association;
- A commitment to attend meetings of the Subcommittee; and
- Have relevant expertise and experience in the areas of the Subcommittee's work for which are you nominated.
