E-Invitation

Briefing sessions for Summer Internship Programme 2021

Dear Sir/Madam

You are cordially invited to join the briefing session on the **Summer Internship Programme (“SIP”) 2021** of the Pilot Programme to Enhance Talent Training for the Asset and Wealth Management (“WAM”) Sector (“Pilot Programme”).

The Pilot Programme is a government-funded project to enhance talent training to meet the growing manpower needs of the WAM sector. Commencing in 2017 summer, over 4,600 undergraduates applied for 420+ internship positions offered by our SIP participating employers (“PE”)s. Overall feedback from both the PEs and student interns in all years were extremely positive. As such, we have started to open winter internships to meet the requests of the employers.

The **Summer Internship Programme** offers:

	A unique platform for undergraduates of 22 local Higher Education Institutions for summer/winter jobs search;
	A centralised effort to promote your company, vacancies and receive applications; and
	Subsidy of 75% or up to HK\$14,000 (whichever is lower) of the honorarium you paid for each internship position for up to eight weeks in each year.

Briefing sessions

Two one-hour briefing sessions will be arranged (see below for details). If you or your colleagues would be interested to understand how to get the most benefit out of the SIP, please register now.
